General terms of contract and trade

§ 1 Legal basis:

The international Patent Application has been published in the International Patent Application Reports, which are edited by the WIPO-World Intellectual Property Organization. This publishing forms the basis of our offer. Accepting the offer your international patent application and/or the company-referring data of the Patent Application holder is stored.

§ 2 Purpose of the registration:

The purpose of the registration is for one thing to be able to obtain by the access to our data files fast information about foreign claims for international patent applications as well as their holders. So you can eventually improve your position in competition. Secondly, it is the purpose of registration to improve eventually your communication possibilities in competition. To fulfill this task or make it easier our data banks with International Patent Applications besides entries about their holders are at your disposal which are enlargenend, actualized and eventually also modified from day to day. The entitled to benefit person has in principle cost-free access to our data bases. This is the case not only for our data bases in the immediate context of international patent applications of third persons, but also especially referring to our data bases, in particular to our data bases in context of Community Trademarks, International Trademarks and European Patents.

§ 3 Legal note for the user I:

The publication in the International Patent Application Reports (name, postal data, and reference data) is electronically recorded and stored. Accepting our offer, and with your registration as an entitled person to benefit from the services of FIPTR you have, besides the mere collecting of data, the possibility to take cost-free advantage of our service of FIPTR. Accepting our offer, you declare simultaneously to agree in data collecting.

§ 4 Registration period:

Your registration as an entitled person to benefit from FIPTR-services is made after entry of payment. In case of payment per cheque, the day of cashing is valid as payment day. The term of registration period as an entitled person to benefit is in principle a year after conclusion of the contract. It is extended every time for one more year, whenever the contract is not cancelled from the side of the entitled person to benefit within the specified time of one month before.

§ 5 Extent of the service:

By making the registration as an entitled person to benefit from FITPR, you have the possibility to claim the following cost-free, and money worth services. You can take advantage of the following cost-free services:

1. Within the contract period, you have at any time you wish the possibility to modify or to enlarge the important data of your own international patent applica-

tion as well as modification in your personal/enterprise data, e.g. the publication of licensing your international patent. Please inform us in writing about the status of modifications.

2. As an entitled person to benefit, you have furthermore the possibility to order cost-free our whole data base of international patent applications registered by us, besides the referring data of their holder on any data carrier you wish, CD-ROM, disc etc.. Furthermore you are entitled to order cost-free also the contents of our other registers (European register of patents, Community trademark, international trademarks) on any data carrier you wish or as a complete printout.
3. As an entitled person to benefit, you are furthermore authorized to order through us specific community trademark documents, an the connected individual pieces of information about the holder of the communtiy trademark claim. In this case, you will have to put the application number of the community trademark from the European Office for Official Publications claim at our disposal. For this service, we charge however an administrative flat-rate charge of once \$20,00 per case.

After accepting our offer by payment we will send you your access data for the online access to data sources.
