Use of IP Statistics

The IP Statistics in Mozambique is used by the following Sectors:

- 1 – Ministry of Industry and Commerce,
- 2 – Ministry of Science and Technology,
- 3 – Central Bank,
- 4 – National Statistical Institute,

Challenges

The IP Statistics in Mozambique is still a major challenge to achieve appropriate realities , as we still have problems in the following:

- 1 - Collection of primary data,
- 2 - Classification data,
- 3 - Data processing,
- 4 – Reports, and
- 5 - Planning

Conclusion

Statistics are an important tool in understanding trends in policy, business, and technology worldwide.

Numbers should be treated in a careful way, because the wrong analysis can reveal nonexistent situations.
