- ⦿ IPR's Attorney : 2 (since 2006)
- ⦿ Works :
 - > IP Services : registered, patent drafting, contract licensing, IP adviser
 - > Workshop, seminar, drafter for university IPR regulation.

experience

- ⦿ Difficult to change professors/university researcher's mind set from introvert to extrovert. Research base on ministry of education aid research to research base on IPR.
- ⦿ Awareness arisen after infringement by third party on their invention

- ⦿ Through 2001-2009 only 5 paten granted 25 pending.
- ⦿ Industry / company don't have passion of cooperation with University for their RnD
- ⦿ Invention not match with company product / main business

Condition

- ⦿ University IP management regulation by president university decree no 254 / 2009
- ⦿ 2002 – 2009 :
- ⦿ Patent granted : 9
- ⦿ Patent pending : 50

Success & Challenge

- ◉ Changed of the mind set of the researcher , professor and student to research based on IP (road show)
- ◉ University Regulation for IP (2009)
- ◉ Commercialization : low value
- ◉ Award for researcher who have patent : credit for civil servant.
- ◉ Lack of knowledge of IP Management strategy Technology transfer term and condition

Ministry of Marine and Fisheries

- ◉ Marines Research and Development Body establish on 2006
- ◉ Source: 350 researcher (12 professor)
- ◉ 16 Unit laboratory around of Indonesia province
- ◉ 2006 – 2009 : 4 patent pending

Bad experience

- ⦿ Join research with foreign research institution, all of data and invention registered by foreign researcher
- ⦿ Lack of knowledge for technology transfer.
- ⦿ Did not have IP strategy
- ⦿ Never mention of Technology Transfer on the contract

Thank you
