CONCLUSIONS, DISCUSSIONS AND DECISIONS

7. As decided by the Governing Bodies of WIPO at their tenth series of meetings, held from September 24 to October 2, 1979 (see paragraphs 51 and 52 of document AB/X/32), the report on this session reflects only the conclusions of the Working Group (decisions, recommendations, opinions, etc.) and does not, in particular, reflect the statements made by any participant, except where a reservation in relation to any specific conclusion of the Working Group was expressed or repeated after the conclusion was reached.

8. Discussions were based on documents CLIM/GTP/21/4 and 5, containing proposals for changes to the Nice Classification submitted by China, the Czech Republic, Germany, Japan, Lithuania, Portugal, Slovakia, Switzerland, the United Kingdom and the Benelux Trademark Office (BBM).
9. The Working Group approved a number of changes to the Nice Classification, shown in Annex III to this report, which also shows those proposed changes that were rejected by the Working Group or withdrawn by the proposing offices.

SUBMISSION OF NEW PROPOSALS FOR CHANGES TO THE NICE CLASSIFICATION

10. In order to continue the work on the revision of the Nice Classification, the Working Group invited member States of the Nice Union and intergovernmental organizations concerned to submit to the International Bureau by January 1, 2002, any new proposals for changes to the Classification, which would then be considered by the Working Group at its next session.

12. The Working Group unanimously adopted this report at its closing session on November 2, 2001.
