

ANNEX H

LIST OF AMENDED MAIN GROUPS CONTAINING THE
TERM “PRECEDING GROUP(S)” OR THE LIKE

The following list includes all subclasses, ordered according to the corresponding rearrangement project number, which were identified as containing a main group or heading with wordings which refer to “preceding groups” or the like of the same subclass and which could lead to inconsistencies in the scope of these groups when they are presented in the standardized sequence.

The list also contains all amendments approved by the Working Group in order to avoid such inconsistencies.
