

## **Search index classification for furniture**

### **1.3 Benches**

the last point “does not include divans (ottomans)” is contrary to the inclusion of divans and ottomans in sub-category 1.3. It should read “does not include divans(beds)” which is included in sub-category 2.1“Beds”.

### **2. Beds.**

“Hammocks” to be included in the sub-category 2.3 “Other beds”.

### **4. Other furniture**

The sub-category 4.1 “mattresses and cushions” to be removed and create a separate category only for these products.

### **5. Parts of furniture**

“Footrests” to be added (5.10).

### **6. Mirrors and frames**

to be included in the category 4 “Other Furniture”.

### **Storage furniture**

Sub-categories to be added to the category “Storage furniture” which is mentioned only in the beginning of the document.

- chests
