I HAVE A DREAM

A **single** application for all the concerned countries

Claire LAUGA UBIK - S+ARCK®

Accession of new countries

We are waiting for the accesssion, after Korea
of not only : CHINA, JAPAN, RUSSIA, USA
But also : BRAZIL, COLOMBIA, CHILE.....

I HAVE A NEED

A **simple** procedure to obtain design protection

A cost effective procedure

- Low individual fees

A quick and simple procedure

- refusals
- Requests regarding the views
- Requests regarding divisions

A SELF GOVERNING PROTECTION FOR DESIGNS ?

The accession to the Geneva Act is the ideal occasion for the countries providing full examination of novelty, these countries where the protection of the design is modelled on the patent prosecution to at least take a step forwards to simplify the procedure and why not giving up the patent model and adopting a self governing protection for designs ?
