Requirements for actual use of mark

The communication sent by IMPI to WIPO concerning amendments to the Mexican Industrial Property Law which entered into force on August 10, 2018, reads as follows:

DECLARATION OF ACTUAL AND EFFECTIVE USE OF THE MARK:

The amendment requires right-holders to submit an official form, directly to IMPI, declaring the actual and effective use of their respective trademarks.

Such obligation will take place at two different times:

a) Upon submitting a request for the renewal of a trademark.

Upon submitting a request for renewal, right-holders are due to comply with the filing of a "Declaration of Actual and Effective Use".

With respect to international registrations renewed under Article 7 of the Madrid Protocol, the right-holder shall declare the actual and effective use of the mark directly to IMPI within the three following months after the renewal notice is made by the International Bureau of WIPO.
