Sixth Session

Geneva, November 22 to 26, 2010

Summary by the Chair

1. The sixth session of the CDIP was held from November 22 to 26, 2010, under the Chairmanship of Ambassador Md. Abdul Hannan, Permanent Representative of Bangladesh. One hundred Member States and 35 Observers participated in the meeting.
2. The Chair gave brief opening remarks, welcomed the delegations and encouraged a continuation of the spirit of cooperation which had seen good progress made in the previous session of the Committee.
3. Addressing the Committee, the Director General welcomed delegations to the Sixth Session of the CDIP, and remarked upon two significant areas of progress reflecting the mainstreaming of the Development Agenda into the regular activities of the Organization. First, he noted progress towards including Development Agenda projects in the regular budgetary process cycle, which would become evident in budgetary considerations for the next biennium 2012-2013. Second, he noted that the coordination mechanism, as discussed at the Fifth Session of the CDIP and approved by the General Assembly in September 2010, together with the robust assessment systems provided by the Development Agenda project on results-based management, offered an effective monitoring tool for Member States and a management tool for the Secretariat. Finally, the Director General noted the need to balance delivery of project results, and reporting on those results.
4. Under Agenda Item 2, the Committee adopted the Provisional Agenda as proposed in document CDIP/6/1 Prov.2, with the following amendment to Agenda Item 5:
“Monitor, assess, discuss and report on implementation of all adopted Development Agenda recommendations. See documents CDIP/6/2, CDIP/6/3”.
5. Under Agenda Item 3, the CDIP decided to admit, on an *ad hoc* basis, two non-governmental organizations (NGOs), namely, Institute for Trade, Standards and Sustainable Development (ITSSD) and Medicines Patent Pool Foundation, without implications as to their status for future CDIP meetings, for a period of one year.
6. Under Agenda Item 4, the Committee adopted the Revised Draft Report of the Fifth session, contained in document CDIP/5/10 PROV., with amendments by a few delegations to their own statements.

7. Under Agenda Item 5, the Committee considered document CDIP/6/2, entitled Progress Reports on Development Agenda Projects. The Committee took note of the information contained in the Annexes to this document, and engaged in an exchange of views and information with Project Managers. The Committee endorsed the transfer of the unspent balance, in the amount of 42 thousand Swiss francs, from the project “Conference on Mobilizing Resources for Development” to “A Pilot Project for the Establishment of ‘Start-Up’ National IP Academies”. Considering the Scoping Study on copyright and the public domain undertaken in the context of the project on Intellectual Property and the Public Domain (document CDIP/4/3.REV), the Committee requested that the Scoping Study be discussed during the Seventh Session of the CDIP.
8. Also under Agenda Item 5, the Committee considered document CDIP/6/3, entitled Progress Report on Recommendations for Immediate Implementation, noted its contents and engaged in an exchange of views and information with the Secretariat. 14. With respect to the Future Work Program on Flexibilities in the Intellectual Property System contained in document CDIP/6/10, the Committee agreed that the Secretariat should proceed to implement activities on which the Committee agreed, and to revisit the document at the next session of the CDIP with respect to those issues on which no agreement had been reached.
15. With respect to the newly submitted proposal for a Project on Enhancing Cooperation on IP and Development Among Developing Countries and LDCs contained in document CDIP/6/11, presented to the Committee by the Delegation of Egypt, the Committee took note of the contents of the proposal, and agreed to discuss it at the next session of the CDIP. The Delegation of Egypt would further elaborate the project document with the assistance of the Secretariat and in consultation with other Member States.
16. Under Agenda Item 7 on Future Work a number of suggestions were made during the discussions, including a proposal received from the Delegation of Brazil on behalf of the

17. The CDIP noted that the Draft Report of the Sixth session would be prepared by the Secretariat and communicated to the Permanent Missions of the Member States, and would also be made available to Member States, IGOs and NGOs, in electronic form, on the WIPO website. Comments on the Draft Report should be communicated in writing to the Secretariat as soon as possible, preferably eight weeks before the next meeting.
