(Addendum to Document PCT/TAS/VII/3)

Information from Sweden

1. At the session for adoption of the report of the joint session of the Permanent Committee for Development Cooperation Related to Industrial Property and the PCT Interim Committee for Technical Assistance, on March 17, 1978, the Delegation of Sweden announced that the Swedish Patent Office had just informed that it offered one series of French patent documents covering the period 1965-1970. The patent documents were classified according to the International Patent Classification, in subclasses.

2. *The Interim Committee for Technical Assistance was invited to take note of this offer.*
