ePCT for ISA - Current Status (1)

- ePCT version 4.13 deployed on April 15, 2024

- Two new tasks

  - Start international search

  - Draft ISA/212-Notification of Decision on Protest or Declaration That Protest Considered Not to Have Been Made.

- Improvements to ISA/237

  - Import citations data into ISA/237 (cited patent documents can be imported from ISA/210 into ISA/237 with a simple click)

  - Automatic addition of E and P categories

  - Import the text of the claims (automatic extraction of the claims)

  - Addition of "NONE" checkbox in Box V

ePCT for ISA - Current Status (2)

- **Other improvements for ISAs**

  - In Box III of ISA/210 and Box IV of ISA/237, the simple free-text field is replaced with an embedded text editor to support basic text formatting options

  - IPC format on ISA/210 aligned with ISA/237

  - Addition of three new Unity Standardized Clauses.

ePCT - Current Status (3)

- **Over 1200** active IP **Office user accounts** (All roles)
- **107** IP Offices have access to ePCT in different capacities (RO, ISA, IPEA and DO)
- International Authorities using ePCT as their **main system** to prepare ISA and IPEA forms:
  - AT, BR, EA, EG, PH, TR and XN
  - SA to start operations as ISA/IPEA in Q3/2024
