

C 07 M INDEXING SCHEME ASSOCIATED WITH SUBCLASSES C 07 B TO K, RELATING TO SPECIFIC PROPERTIES OF ORGANIC COMPOUNDS [6]**Notes**

- (1) This subclass constitutes an indexing scheme associated with subclasses C 07 B to K. The indexing codes should be unlinked. [6]
(2) Attention is drawn to Chapter IV of the Guide which sets forth the rules concerning the application and presentation of the different types of indexing code. [6]
