Home Page Features Explained

- 1. Application Name and Logo: This section displays the name of application and Logo. Please note that this LOGO is of WIPO's by default but it can be changes to that of the office. Customization of the WIPO Publish can be done via Theme Settings.
- 2. Language Switch: This section allows switching between languages. Links displays the web page content in the given language (English, Arabic, French and Japanese)
- 3. Links to other search pages: This section allows to switch to search pages of other entities such as Patents, Trademarks , Industrial Designs and EDMS if available.
- 4. Search Option Tabs: This section allows the advance search
- 5. Search Text Box : This search is full-text search which signifies that the specified keyword is searched across the entire bibliographic data of Trademarks and not just the name of the Trademark
- 6. Search Results Pane: This section displays the results generated from the search operation

APPLYING FILTERS

- This feature allows to curtail the search results by selecting one or multiple pre-defined filter options thereby improving the search functionality. The steps to accomplish this feature are described below: Click on the Funnel icon as highlighted in the screen below to open the filter pane

This feature allows to search the published data by specifying multiple parameters simultaneously. This facilitates more precise search than the full text search. The applications fulfilling all the search criteria are displayed. The parameters which are displayed under the Advanced Search pane are configurable

The screenshot displays the WIPO PUBLISH Advanced Search interface. At the top, there are navigation tabs for 'Designs', 'Patents', and 'Trademarks'. The 'ADVANCED SEARCH' tab is selected. Below the tabs, there are search filters for 'Original Filing #', 'Mark', 'Nice Classes', and 'Vienna Classes', each with an input field. There are also checkboxes for 'stemming' and 'phonetic'. A '+/- Fields' button is highlighted with a red box. Below the filters, there is a 'Search' button and a 'Reset' button. The results table shows 4 entries for trademarks.
