LIST OF SPEAKERS

*prepared by the International Bureau*

RYO FUNAKOSHI

Mr. Ryo Funakoshi, who is deputy director and Patent Examiner, joined the Japan Patent Office in April, 2001 as Assistant Patent Examiner. His field of patent examination is electronic technology, regarding information storage such as DVD, Blue-Ray and HDD (G11B) and electric circuit such as semiconductor (H03K). In response to the recent technology development, he also carried out a study on nanotechnology as visiting researcher in University of Cambridge from 2008-2009. Besides patent examination, he was responsible for planning and implementing various researches on technological trend and IP-related activities from 2006 to 2007 as assistant director in Policy Planning and Research Division. In addition, he was responsible for planning for effective and efficient dissemination of IP information from 2009 to 2010 as deputy director in Information Dissemination and Policy Promotion Division. Furthermore, he was engaged in analysing patent statistics from 2010 to 2013 as analyst in the OECD. As a result of this experience, he is well acquainted with IP statistics and dissemination of IP information. Mr. Ryo Funakoshi obtained a Bachelor's Degree in Engineering from Sophia University, Japan, in March 2001.

KAZUYUKI MOTOHASHI

Mr. Motohashi is Professor at the Department of Technology Management for Innovation (TMI), University of Tokyo, since 2006. He is also a Faculty Fellow at the Research Institute of Economy, Trade and Industry (RIETI); and a Visiting Researcher at the National Institute of Science and Technology Policy (NISTEP), Ministry of Education, Science and Technology, Japan. He holds degrees of B.Eng. Civil Engineering and M.Eng. Civil Engineering from the University of Tokyo; Master of Business Administration from Johnson Graduate School of Management, Cornell University, USA; and Phd. Business and Commerce from Keio University, Japan

ATTY. EMMA C. FRANCISCO

Atty. Emma C. Francisco is former Director General of the Intellectual Property Office of the Philippines, currently in Independent Law Practice, Part-time Faculty and Independent Lecturer

ERIC T. LANADO

Director III, Head, Planning Division, IPOPHL

## MOSAID KHAN

Mr. Mosahid Khan is the Head of IP statistics of the World Intellectual Property Organization (WIPO) based in Geneva. He is responsible for collection and dissemination of IP statistics. Before joining WIPO, he was an economist/statistician at the Organisation for Economic Co-operation and Development, where his focus was on the development of internationally comparable science and technology statistics for economic analysis. Among other position, he has worked as an economist at Eurostat, a private consulting company, Loughborough University and South Bank University. Mr. Khan's work has been published in leading academic journals. He holds a Master of Science degree in Economics from Queen Mary and Westfield College, University of London.

## BRUNO LE FEUVRE

Mr. Bruno Le Feuvre is statistical analyst at the World Intellectual Property Organization (WIPO) based in Geneva, Switzerland. He joined the statistics section in 2005. He is working on the collection and dissemination of IP statistics. He also coordinates the drafting of the *PCT yearly review* since 2007. He joined WIPO in 2001 and worked at the International Bureau of the Patent Cooperation Treaty (PCT). He holds a Master of Business Administration (MBA), a Diplôme d'Études Supérieures Spécialisé (DESS) en organisation et protection des systèmes d'information and a Diplôme d'Études Approfondies (DEA) en administration publique from the University of Lyon 2.
