MCD Revision Statistics

25 March 2009

Introduction

The purpose of this document is to give an indication of the status of the IPC reclassifications which have taken place since the implementation of IPC Reform in 2006. The table for each revision period contains the following information ;

- the column headed 'original' shows the number of families on the first set of working lists created for each country
- the second column shows the number of families still to be reclassified when the 'Residual Working Lists' were created in March 2009
