## ASSEMBLIES OF THE MEMBER STATES OF WIPO

### Forty-First Series of Meetings Geneva, September 26 to October 5, 2005

COMPOSITION OF THE WIPO COORDINATION COMMITTEE;  
ELECTION OF THE MEMBERS OF THE EXECUTIVE COMMITTEES  
OF THE PARIS AND BERNE UNIONS AND DESIGNATION OF THE *AD HOC*  
MEMBERS OF THE WIPO COORDINATION COMMITTEE

*document prepared by the Secretariat*

#### Introduction

1. The membership of the WIPO Coordination Committee consists of States drawn from three other bodies, namely
  - (i) the Executive Committee of the Paris Union;
  - (ii) the Executive Committee of the Berne Union; and
  - (iii) one-fourth of the States party to the Convention Establishing the World Intellectual Property Organization (“the WIPO Convention”) that are not members of any of the Unions administered by WIPO.<sup>1</sup>

---

<sup>1</sup> Article 8(1)(a) and (c), WIPO Convention.

In addition, Switzerland, as the host State, is an *ex officio* member of the Coordination Committee.<sup>2</sup>

2. The membership of the Coordination Committee is established once every two years, at the ordinary sessions of the Assemblies of the Member States (“the Assemblies”). The terms of office of the present members of the Executive Committee of the Paris Union, the Executive Committee of the Berne Union and the WIPO Coordination Committee expire at the close of the present (September 26 to October 5, 2005) ordinary sessions of the Assemblies. New members of each of those Committees must therefore be elected during the present sessions of the Assemblies. Those new members will serve until the close of the next ordinary sessions of the Assemblies, which will be held in September 2007.

3. The present document deals with the composition of the Committees that are to be elected and the decisions that the corresponding Assemblies and other bodies are invited to take in order to elect the new members of the Committees.

#### I. Executive Committee of the Paris Union

4. Present Composition. The Executive Committee of the Paris Union comprises, at present, 41 members, consisting of 40 ordinary members,<sup>3</sup> and one *ex officio* member.<sup>4</sup> The names of the present members are underlined in List No. 1 in the Annex to this document.

5. Limits to Re-eligibility for Election. Members of the Executive Committee of the Paris Union may be re-elected, but only up to a maximum of two-thirds of the ordinary members plus the *ex officio* member.<sup>5</sup> There being 41 such members, the number of elected ordinary members eligible for re-election is 27.<sup>6</sup>

6. New Composition. The Executive Committee of the Paris Union to serve from the close of the present sessions of the Assemblies to the close of the next ordinary sessions of the Assemblies should have 41<sup>7</sup> members, consisting of:

(i) 40 elected ordinary members, to be elected by the Assembly of the Paris Union; out of the present 40 elected members, 26 may and 14 may not be re-elected;

(ii) one *ex officio* member (Switzerland).

---

<sup>2</sup> Article 11(9)(a), WIPO Convention.

<sup>3</sup> Elected by the Assembly of the Paris Union (see Article 14(2)(a) of the Paris Convention and Rule 3(1) of the Rules of Procedure of the Assembly of the Paris Union (document AB/XXIV/INF/2)).

<sup>4</sup> The State on whose territory the Organization has its headquarters (Switzerland) is the *ex officio* member (see Article 14(2)(a) of the Paris Convention).

<sup>5</sup> See Article 14(5)(b) of the Paris Convention.

<sup>6</sup>  $41 \times \frac{2}{3} = 27.33$ , which, by convention, is rounded to the nearest whole number.

<sup>7</sup> Forty-one represents one-fourth of the number of States members of the Assembly of the Paris Union, discounting any remainders after division by four (see Article 14(3) of the Paris Convention). There are 167 members of the Assembly, whose names are set out in List No. 1 in the Annex.

7. *Accordingly, the Assembly of the Paris Union is invited to elect, from among its members, 40 States to the Executive Committee of the Paris Union, in the capacity of ordinary members; these 40 States must not include more than 26 States which, at present, are ordinary members of that Committee.*

## II. Executive Committee of the Berne Union

8. Present Composition. The Executive Committee of the Berne Union comprises, at present, 37 members, consisting of 36 ordinary members<sup>8</sup> and one *ex officio* member.<sup>9</sup> The names of the present members are underlined in List No. 2 in the Annex to this document.

9. Limits to Re-eligibility for Election. Members of the Executive Committee of the Berne Union may be re-elected, but only up to a maximum of two-thirds of the ordinary members plus the *ex officio* member.<sup>10</sup> There being 37 such members, the number of elected ordinary members eligible for re-election is 25.<sup>11</sup>

10. New Composition. The Executive Committee of the Berne Union to serve from the close of the present sessions of the Assemblies to the close of the next ordinary sessions of the Assemblies should have 39<sup>12</sup> members, consisting of:

(i) 38 elected ordinary members, to be elected by the Assembly of the Berne Union; out of the present 36 elected members, 24 may and 12 may not be re-elected;

(ii) one *ex officio* member (Switzerland).

11. *Accordingly, the Assembly of the Berne Union is invited to elect, from among its members, 38 States to the Executive Committee of the Berne Union; these 38 States must not include more than 24 States which, at present, are members of that Committee.*

---

<sup>8</sup> Elected by the Assembly of the Berne Union (see Article 23(2)(a) of the Berne Convention and Rule 3(1) of the Rules of Procedure of the Assembly of the Berne Union (document AB/XXIV/INF/2)).

<sup>9</sup> The State on whose territory the Organization has its headquarters (Switzerland) is the *ex officio* member (see Article 23(2)(a) of the Berne Convention).

<sup>10</sup> See Article 23(5)(b) of the Berne Convention.

<sup>11</sup>  $37 \times 2/3 = 24.66$ , which, by convention, is rounded to the nearest whole number.

<sup>12</sup> Thirty-nine represents one-fourth of the number of States members of the Assembly of the Berne Union, discounting any remainders after division by four (see Article 23(3) of the Berne Convention). There are 156 members of the Assembly, whose names are set out in List No. 2 in the Annex.

### III. WIPO Coordination Committee

12. Rules of Composition. The WIPO Coordination Committee is composed of the following categories of members:

- (i) the elected ordinary members of the Executive Committee of the Paris Union and of the Executive Committee of the Berne Union;<sup>13</sup>
- (ii) Switzerland, as the State on whose territory the Organization has its headquarters;<sup>14</sup>
- (iii) one-fourth of the States party to the WIPO Convention that are not members of any of the Unions, which are designated by the WIPO Conference<sup>15</sup> and which serve as *ad hoc* members of the WIPO Coordination Committee.<sup>16</sup>

13. New Composition. It follows that the WIPO Coordination Committee to serve from the close of the present sessions of the Assemblies to the close of the next ordinary sessions of the Assemblies should have 82 members, consisting of:

- (i) the 40 ordinary members of the Executive Committee of the Paris Union to be elected by the Assembly of the Paris Union in the present sessions (see paragraph 6(i), above);
- (ii) the 38 ordinary members of the Executive Committee of the Berne Union to be elected by the Assembly of the Berne Union in the present sessions (see paragraph 10(i), above);
- (iii) Switzerland; and
- (iv) three *ad hoc* members to be designated by the WIPO Conference in the present sessions.<sup>17</sup>

*14. Accordingly, the WIPO Conference is invited to designate, from among its members that are not members of any of the Unions, three States to be ad hoc members of the WIPO Coordination Committee.*

[Annex follows]

---

<sup>13</sup> See Article 8(1)(a) of the WIPO Convention.

<sup>14</sup> See Article 11(9)(a) of the WIPO Convention.

<sup>15</sup> See Article 8(1)(c) of the WIPO Convention.

<sup>16</sup> In addition, the Coordination Committee comprises, in theory, any associate members of the Executive Committee of the Paris Union or the Executive Committee of the Berne Union, which serve as associate members of the WIPO Coordination Committee. The class of associate members is, however, now redundant (see notes 7 and 13, above). See Rule 2(3) of the Rules of Procedure of the WIPO Coordination Committee (document AB/XXV/INF/2).

<sup>17</sup> There are 10 States members of the WIPO Conference that are not members of any of the Unions. Their names are set out in List No. 3 in the Annex. The number of *ad hoc* members of the WIPO Coordination Committee to be designated by the WIPO Conference is thus three.
