Assembly

Fifty-Fifth (24th Ordinary) Session
Geneva, July 6 to 14, 2023

**APPOINTMENT OF THE SAUDI AUTHORITY FOR INTELLECTUAL PROPERTY AS
AN INTERNATIONAL SEARCHING AND PRELIMINARY EXAMINING AUTHORITY
UNDER THE PCT**

Document prepared by the International Bureau

SUMMARY

1. The present document invites the Assembly to decide on the appointment of the Saudi Authority for Intellectual Property (SAIP) as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty (PCT), taking into account the advice by the PCT Committee for Technical Cooperation (PCT/CTC), which unanimously agreed to recommend to the Assembly that SAIP be appointed. The Assembly is also invited to approve the text of the draft Agreement in relation to the functioning of SAIP as an International Searching and Preliminary Examining Authority.

BACKGROUND

2. The appointment of International Searching Authorities and International Preliminary Examining Authorities under the PCT is a matter for the Assembly and is governed by Articles 16(3) and 32(3) of the PCT. It follows from Rules 36.1(iv) and 63.1(iv) of the Regulations under the PCT that any appointment will be as both an International Searching Authority (ISA) and an International Preliminary Examining Authority (IPEA).

3. In a letter dated February 17, 2022, the Chief Executive Officer (CEO) of SAIP, Dr. Abdulaziz Al-Swailem, requested the Director General of WIPO to convene a session of the PCT/CTC in order to give advice to the Assembly concerning the appointment of SAIP as an International Searching and Preliminary Examining Authority under the PCT, in conformity with the paragraph (c) of the procedures set out in the Understanding with regard to procedures for appointment of International Authorities, as modified by the Assembly at its fiftieth (29th extraordinary) session from September 24 to October 2, 2018. The application for appointment is presented in the Annexes to document PCT/CTC/32/2 Rev.

ADVICE OF THE PCT COMMITTEE FOR TECHNICAL COOPERATION

4. In conformity with Articles 16(3)(e) and 32(3) of the PCT, the PCT/CTC gave its advice on the appointment of SAIP as an ISA and IPEA at its thirty-second session, held in Geneva from October 3 to 7, 2022. Paragraph 6 of document PCT/CTC/32/3 summarizes the advice by the PCT/CTC as follows:

“6. The Committee unanimously agreed to recommend to the Assembly of the PCT Union that the Saudi Authority for Intellectual Property be appointed as an International Searching and Preliminary Examining Authority under the PCT.”

DRAFT AGREEMENT IN RELATION TO THE FUNCTIONING OF THE SAUDI AUTHORITY FOR INTELLECTUAL PROPERTY AS AN INTERNATIONAL SEARCHING AND PRELIMINARY EXAMINING AUTHORITY

5. Under Articles 16(3)(b) and 32(3) of the PCT, the appointment of an ISA and IPEA is conditional on the conclusion of an Agreement, subject to approval by the Assembly, between the Office or organization concerned and the International Bureau. The text of a draft Agreement between SAIP and the International Bureau is set out in the Annex to this document.

6. If the Assembly agrees to the appointment, it would take effect upon entry into force of the Agreement between SAIP and the International Bureau. This would take place when SAIP is ready to begin operations as an International Authority. Paragraph (d) of the Understanding with regard to the procedures for appointment of International Authorities, as modified by the Assembly at its fiftieth (29th extraordinary) session from September 24 to October 2, 2018, provides details of this timing, as follows:

“(d) Any such application should be made on the understanding that the Office seeking appointment must meet all substantive criteria for appointment at the time of the appointment by the Assembly and is prepared to start operation as an International Authority as soon as reasonably possible following appointment, at the latest around 18 months following the appointment. With regard to the requirement that the Office seeking appointment must have in place a quality management system and internal review arrangements in accordance with the common rules of international search, where such system is not yet in place at the time of the appointment by the Assembly, it shall be sufficient that such system is fully planned and, preferably, that similar systems are already operational in respect of national search and examination work to demonstrate the appropriate experience.”

7. Under Article 10 of the draft Agreement, it would remain in force until December 31, 2027, which is the same date as all existing agreements between the International Bureau and Offices or organizations in relation to their functioning as an International Searching and Preliminary Examining Authority.

8. *The Assembly of the PCT Union is invited, in accordance with Articles 16(3) and 32(3) of the PCT:*

(i) to hear the Representative of the Saudi Authority for Intellectual Property and take into account the advice of the PCT Committee for Technical Cooperation set out in paragraph 6 of document PCT/CTC/32/3;

(ii) to approve the text of the draft Agreement between the Saudi Authority for Intellectual Property and the International Bureau set out in the Annex to document PCT/A/55/1; and

(iii) to appoint the Saudi Authority for Intellectual Property as an International Searching Authority and International Preliminary Examining Authority with effect from the entry into force of the Agreement until December 31, 2027.
