Proposal of the Kyrgyz Republic on the Agenda Item 8 “Report of the
Provisional Committee on Proposals related to a WIPO Development Agenda
(PCDA)

25/09/06

The WIPO General Assembly,

Bearing in mind the crucial importance of a strengthened Development Agenda for Member-States of the World Intellectual Property Organization (WIPO);

Taking into account the fruitful and positive discussions during two sessions of the Provisional Committee on Proposals related to a WIPO Development Agenda (PCDA) in February and June 2006 where the WIPO Member-States have identified a number of proposals on a cluster basis;

Taking also into account the necessity of setting up of an appropriate body of the WIPO where Member-States can continue discussions on all aspects of proposals relating to a WIPO Development Agenda;

Decided the following:

1. *To set up a Committee* which consists of all Member-States of WIPO representing developed/developing/LDCs and countries in transition to carry on future work on proposals related to a WIPO Development Agenda. This Committee will replace the PCIPD during its existence.
2. *The Committee will examine* all the proposals submitted to the IIM/PCDA for which two sessions will be organized in the year 2007.
3. *The Committee shall* report to the WIPO General Assembly in 2007 with specific recommendations for establishing a strengthened WIPO Development Agenda.
