Program and Budget Committee

Twenty-Second Session Geneva, September 1 to 5, 2014

PROPOSED AMENDMENTS TO THE FINANCIAL REGULATIONS AND RULES (FRR)

presented by the Director General

INTRODUCTION

1. The present document contains proposals for amendments to WIPO's Financial Regulations and Rules (FRR). The changes primarily address the need to update the FRR in order to align it with the evolution of other elements of WIPO's regulatory framework; to recognize the evolution of current practices and business requirements of the Organization or provide clarification required in day-to-day operations on specific issues; and to address inconsistencies or inaccuracies in the FRR where needed.

PROPOSED AMENDMENTS TO FINANCIAL REGULATIONS

2. In accordance with the provisions of Regulation 10.1 "The Director General may propose amendments to these Regulations. Any such amendment to these Regulations must be approved by the General Assembly". Amendments are proposed to Regulations 2.8, 5.10, 5.11, 8.1 and 8.9.

- (i) **Regulation 2.8:** the appropriate text has been added, in accordance with the recommendation of the IAOC, and in line with the treaties administered by the Organization, to reflect the scenario where the Program and Budget of the Organization may not be adopted in time for the start of a new biennium;
- (ii) **Regulation 5.10:** it is proposed to align the regulation with the United Nations (UN) System practice and remove the limitation of 20 thousand Swiss francs per biennium on *ex gratia* payments; and

- (iii) **Regulation 5.11:** it is proposed to more closely align the definition of procurement and its guiding principles with those of other UN Common System organizations.
- (iv) **Regulations 8.1 and 8.9:** reference to the Auditor General is corrected from the currently used “officer”, to “official”.

3. The following decision paragraph is proposed.

4. *The Program and Budget Committee recommended to the WIPO General Assembly to approve Regulations 2.8, 5.10, 5.11, 8.1 and 8.9 as amended in document WO/PBC/22/10.*

AMENDMENTS TO FINANCIAL RULES

5. In accordance with Financial Regulation 10.1, Rule 110.1, the “present Rules may be amended by the Director General in a manner consistent with the Financial Regulations”. Therefore, the amendments will be made by the Director General to the Financial Rules 101.3(k), 104.1(b), 104.5, 104.6(a), 104.13, 105.13, 105.16(b), 105.17, 105.18, 105.21, 105.22, 105.30, 106.4, and 106.12.

- (i) **Rule 101.3(k):** the definition of “officer” is revised to align it with the current Staff Regulations and Rules;
- (ii) **Rule 104.1(b):** this rule clarifies and confirms the Organization’s practice of allocating spending authority for Funds in Trust only against cash received;
- (iii) **Rules 104.5 and 106.4:** these changes serve to correctly reflect the terminology used to describe WIPO’s external offices (replace the term “liaison offices” with “external offices”);
- (iv) **Rule 104.6(a):** the reference to Cashier’s Fund advances is removed, as WIPO does not make these types of advances;
- (v) **Rule 104.13:** the revision is needed to clarify that investments losses are reported on within three months of the end of each calendar year of the biennial financial period;
- (vi) **Rules 105.13, 105.16(b), 105.17, 105.18, 105.21, 105.22, 105.30(a) and (b):** the changes to these rules are required to reflect current procurement practices and/or serve to help streamline the FRRs by removing detailed guidance which appears in Office Instructions.
- (vii) **Rules 105.17, 105.21 and 105.30 (a):** the changes clarify that it is the Director General who, through the issuance of Office Instructions, sets out the thresholds for various forms of procurement procedures, the guidance for award of procurement contracts and establishes the Property Survey Board (not the High Level Official on Procurement);

(viii) **Rule 105.30(a)**: the change reflects the fact that the Property Survey Board does not “establish degree of responsibility for loss or damage” to WIPO property. This is done following the appropriate procedures set out, either as part of an investigation or other relevant process.

(ix) **Rule 106.12**: the change is needed to correct a previously erroneous cross reference to the Regulation dealing with the financial management report; and

6. The following decision paragraph is proposed.

7. The Program and Budget Committee took note of the amendments to the Financial Rules listed in paragraph 5 of document WO/PBC/22/10.
