Arrears in Annual Contributions of the Least Developed Countries Placed in a Special (Frozen) Account Concerning the Years Preceding 1990

4. It is recalled that, in accordance with the decision taken by the WIPO Conference and the Assemblies of the Paris and Berne Unions at their 1991 ordinary sessions, the amount of the arrears in contributions of any least developed country (LDC) relating to years preceding 1990 was placed in a special account, the amount of which was frozen as of December 31, 1989 (documents AB/XXII/20 and AB/XXII/22, paragraph 127). Such arrears in contributions, as at May 31, 2022, concerning the Paris and Berne Unions and concerning WIPO are shown in the following table. Any payment that reaches the International Bureau between June 1 and June 30, 2022, will be reported to the Assemblies in a separate document.

Evolution of Arrears in Contributions and Working Capital Funds over the Last Ten Years

6. Since the introduction of the unitary contribution system in 1994 and the creation of new, more equitable contribution classes for the developing countries, the arrears in contributions and working capital funds have been reduced significantly. On December 31, 1993, the total arrears in contributions and working capital funds amounted to 15.12 million Swiss francs and the number of countries having to pay an annual contribution was 140. On December 31, 2021, the total arrears in contributions and working capital funds amounted to 7.40 million Swiss francs and the number of countries having to pay an annual contribution was 194.

7. The following table gives the amounts of arrears in contributions (including the "frozen" arrears of the LDCs) and Working Capital Funds (WCF) since 2012.

Annex I Contributions according to the unitary contribution system

Basis for determining contributions

Each Member State's contribution is determined on the basis of the decisions taken in 2003 by the WIPO Conference and the competent Assemblies of certain Unions administered by WIPO in relation to the unitary contribution system (document A/39/15, paragraphs 166 and 167).

Determination of contributions

The amounts of the contributions for the 2020/21 biennium were approved on October 9, 2019, by the Assemblies of the Member States of WIPO and the Unions administered by WIPO (document A/59/14, paragraph 152).

1 The Paris Union Working Capital Fund was set up in 1978 and fixed at 2 000 000 francs (document AB/VII/23, paragraphs 301 and 302). Since this Union's assembly had decided to use the Working Capital Fund to cover the exceptional expenses of the Diplomatic Conference for the Revision of the Paris Convention (the 1980, 1981, 1982 and 1984 sessions and the preparatory and consultative meetings from 1984 to 1987), it also decided, at its 1983 session, to reconstitute the Working Capital Fund up to an amount of 2 000 000 francs (document P/A/VIII/3, paragraph 11.i). As a result, the Paris Union Working Capital Fund amounted, as at December 31, 2021, to 1 592 894.11 francs.

2 The Locarno Union Working Capital Fund was set up in 1973 and fixed at 30 000 francs (document AB/IV/35, paragraph 152). Following the accession of the Netherlands and the withdrawal of the United States of America, the Locarno Union Working Capital Fund amounted, as at December 31, 2021, to 29 494 francs.

3 The PCT Union Working Capital Fund was set up in 1983 and fixed at 2 000 000 francs (document PCT/A/X/3, paragraph 13(i)). Following the decision taken by the Assemblies of the Member States of WIPO and of the Unions administered by it, each as far as it is concerned, at its fifty-fifth session held in Geneva from October 5 to 14, 2015 (documents WO/PBC/23/8, A/55/4 and A/55/INF/11 (item 11)), the Member States of the said Union benefited from the reimbursement of their share in the Working Capital Fund (WCF) of the PCT Union by having this deducted from the assessed contribution due for the year 2016.
