Creating a New Application

The screenshot shows the top navigation bar with 'WIPO | HAGUE' and 'E-HAGUE' on the left, and 'SUPPORT', 'ENGLISH', 'JONAH', and 'LOGOUT' on the right. Below the navigation bar is the 'E-HAGUE' header. A tab bar contains 'New', 'Filed application[s] (21)', 'Draft[s] (12)', 'E-filing communication [3 unread]', and 'E-filing tutorial'. The 'New' tab is active, showing three radio button options: 'New application' (selected), 'New application using data from a filed application', and 'New application from a draft'. Below the options is a 'Warning' section with two paragraphs of text. A 'Confirm' button is located at the bottom right of the interface.

- The New tab provides three options:
 - 1 – Create a completely new application;
 - 2 – Create a new application but use saved data from a filed application; or
 - 3 – Create a new application but use saved data from a draft application.
