Information about Madrid Members (II)

- A number of users and Offices have requested access to a greater range of information and to a more sophisticated search system to access data of interest
- Madrid Registry has launched a new project to address these needs

Madrid Member Profiles Database Objective

- The objective of the project is to develop a searchable database to enable customers to more efficiently access information on procedures in Madrid Member IP Offices related to the international registration of trademarks
- The database should be:
 - comprehensive
 - user-friendly
 - easy to search

Madrid Member Profiles Database Structure (I)

- 66 data items about each Member
- Structure based on two principles:
 - Role of Office (Office of Origin and Designated Office)
 - Stage of International Registration (for Designated Office)

Madrid Member Profiles Database Structure (III) - Stage of the International Registration

Implementation Plan

■ Current status:

- finalized development of phase 1;
- obtaining feedback;
- questionnaire which reflects the structure of the database;
- returned questionnaire from 26 Members

■ Next steps:

- finalising the development in the coming month;
- continuous population of the database;
- launch online and replacement of the current Member Profiles

Populating the Database

- Questionnaire progressively sent to Members throughout 2016
- Distribution to Members will continue after the Round Table

Cooperation

- Once the questionnaire is received, do not hesitate to ask for clarifications or for other language versions
- Check the information about your Office online and inform us if there are any errors
- Do not forget to inform us about changes in your legislation or examination practice
- Help us to improve by providing feedback
- Please make sure to leave your contact details in the registration form for the WG/RT or send them to marija.markova@wipo.int, tel. +41223388274
