prepared by the Secretariat

1. In paragraph 26 of the document, the first sentence should read as follows:

“26. Use of online forms to present requests for recording has a positive impact on the irregularity rate and on the processing time.”
2. Paragraph 32 of the document should read as follows:

“32. In the past, an advantage resulted from requesting the recording of a subsequent designation through the Office of the Contracting Party of the holder. In contrast, the first sentence in Rule 24(6)(b) prescribes that the subsequent designation must bear the date on which the Office of the Contracting Party of the holder receives the request, where the holder presents it through an Office, provided the International Bureau receives this request from this Office within two months from that date.”
3. In paragraphs 33 and 34 of the document, the reference “the provision in the second sentence of Rule 24(6)(b)” should be replaced by “the provision in the first sentence of Rule 24(6)(b)”.
