

Technical Assistance: Experience from China

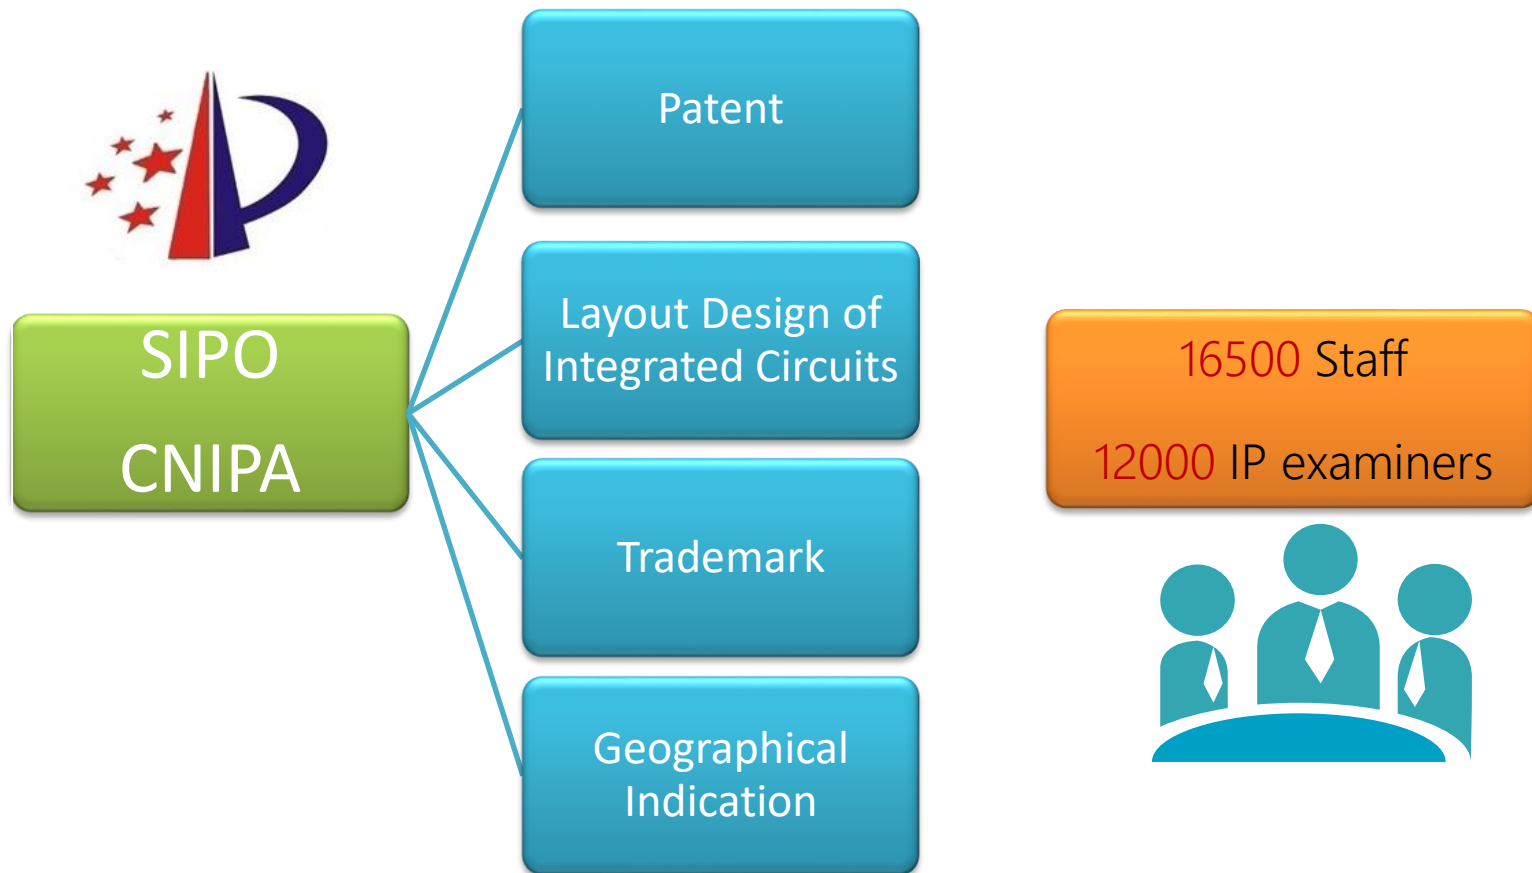

Speaker: YUAN Qi, Deputy Director General,
International Cooperation Department,
National Intellectual Property Administration, PRC
NOV.,2018 GENEVA

Contents

- I . Brief Introduction to CNIPA
- II . IP Development in China and TA
- III 、 CNIPA's Experience of Delivering TA
- IV 、 TA Received by CNIPA
- V 、 Lesson Learned and Suggestions

I 、 Brief Introduction to CNIPA

Reinstitution in Mar. 2018

I、Brief Introduction to CNIPA

Responsibilities

- **Drafting and Implementation of National IP Strategy**
- **IP Protection**
- **IP Utilization Promotion**
- **IP Examination, Registration and Administration**
- **Adjudication**
- **Construction of IP Public Service system**
- **Overall Coordination of foreign-related IP Affairs**

II 、 IP Development in China and TA

CNIPA also cooperates with other Chinese governments and utilizes Regional Cooperative Special Funds to conduct TA activities

China was a beneficiary of TA more than **30 years ago** , When it was in the early stage of establishing its IP system

CNIPA has set up "Training for Developing countries" fund since **2015**

CNIPA set up WIPO China FIT in **2016**

CNIPA and WIPO signed an agreement on enhancing "Belt and Road" IP cooperation in **2017**

Ⅲ、CNIPA's Experiences in Delivering TA Capacity Building for Developing Countries

(1) Training for Developing

- **During 2016 to the middle of 2018, 20 training sessions were hold in China**
- **more than 400 participants**
- **More than 1000 people were trained in the past 14 years**

◆ Training Seminar on Patent System and Examination Practices for Belt and Road Countries

2018/11/26

◆ Workshop on IP Policy and Administration for Latin American Countries

◆ Dispatching Trainers to other Countries

Ethiopia

◆ Dispatching Trainers to other Countries

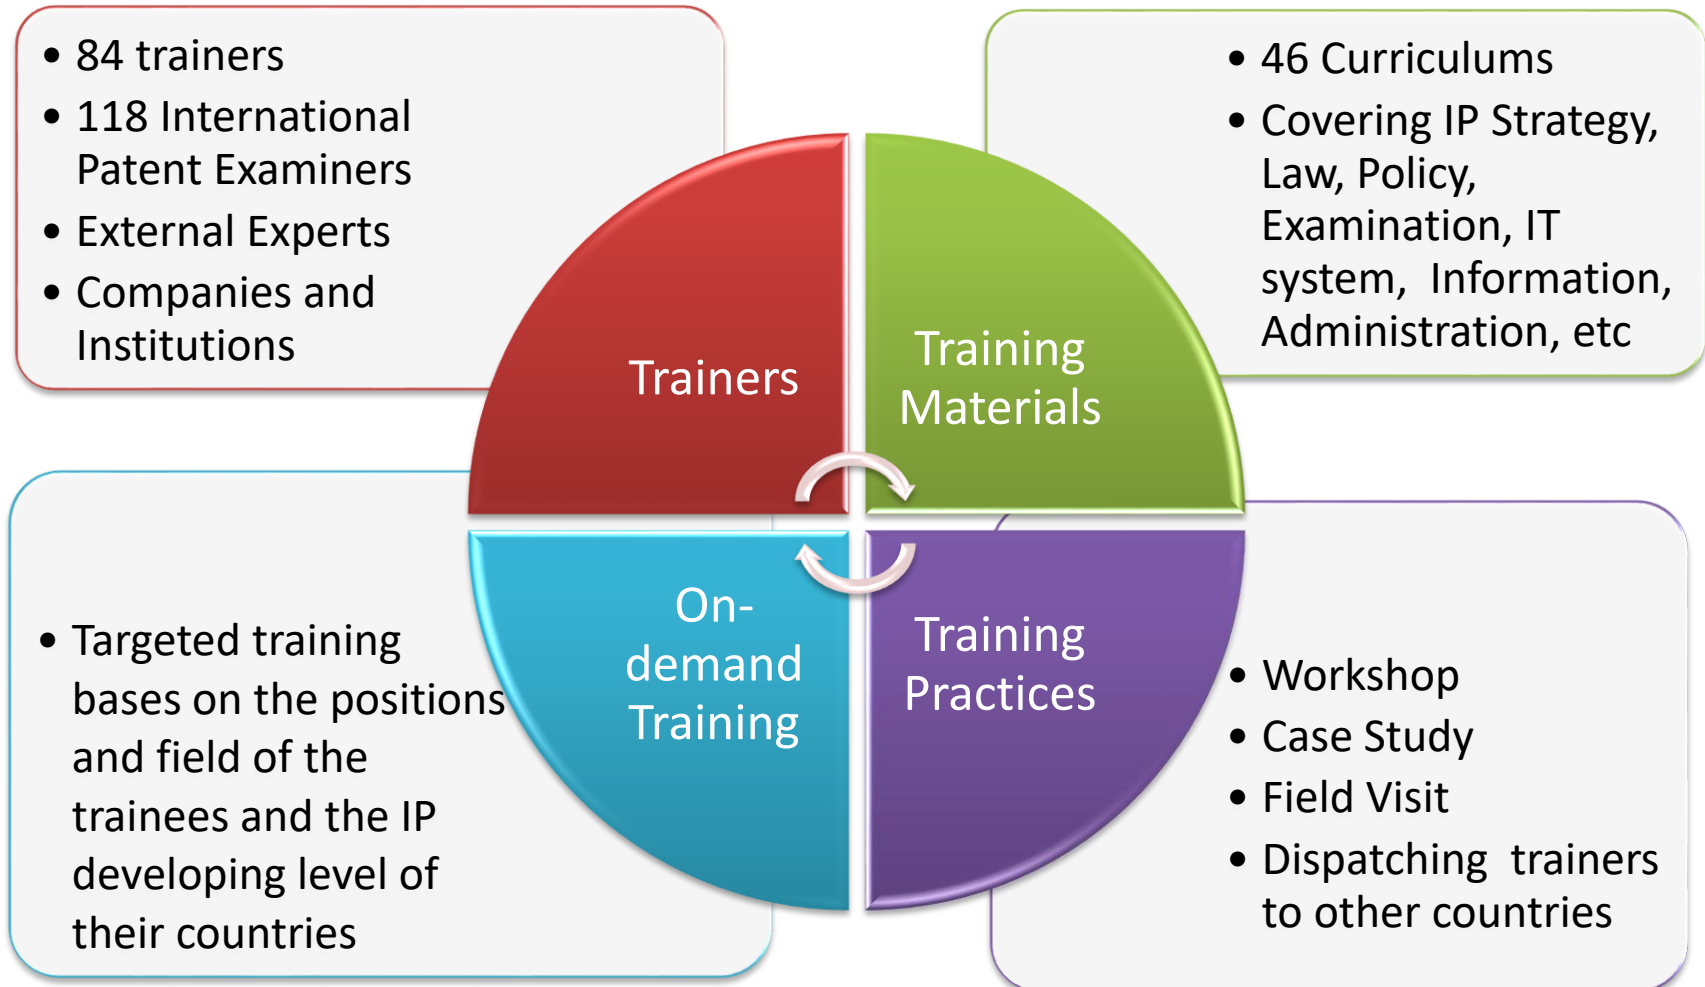

Patent Office of GCC

Saudi Arabian Patent Office

CNIPA has established a standardized and mature training model

(2) Organizing International Conferences and Seminars

2018 High-Level Conference on IP for Countries along the Belt and Road

(2) Organizing International Conferences and Seminars

2016 High-Level Conference on IP for Countries along the Belt and Road,
and Its Roundtable Meeting

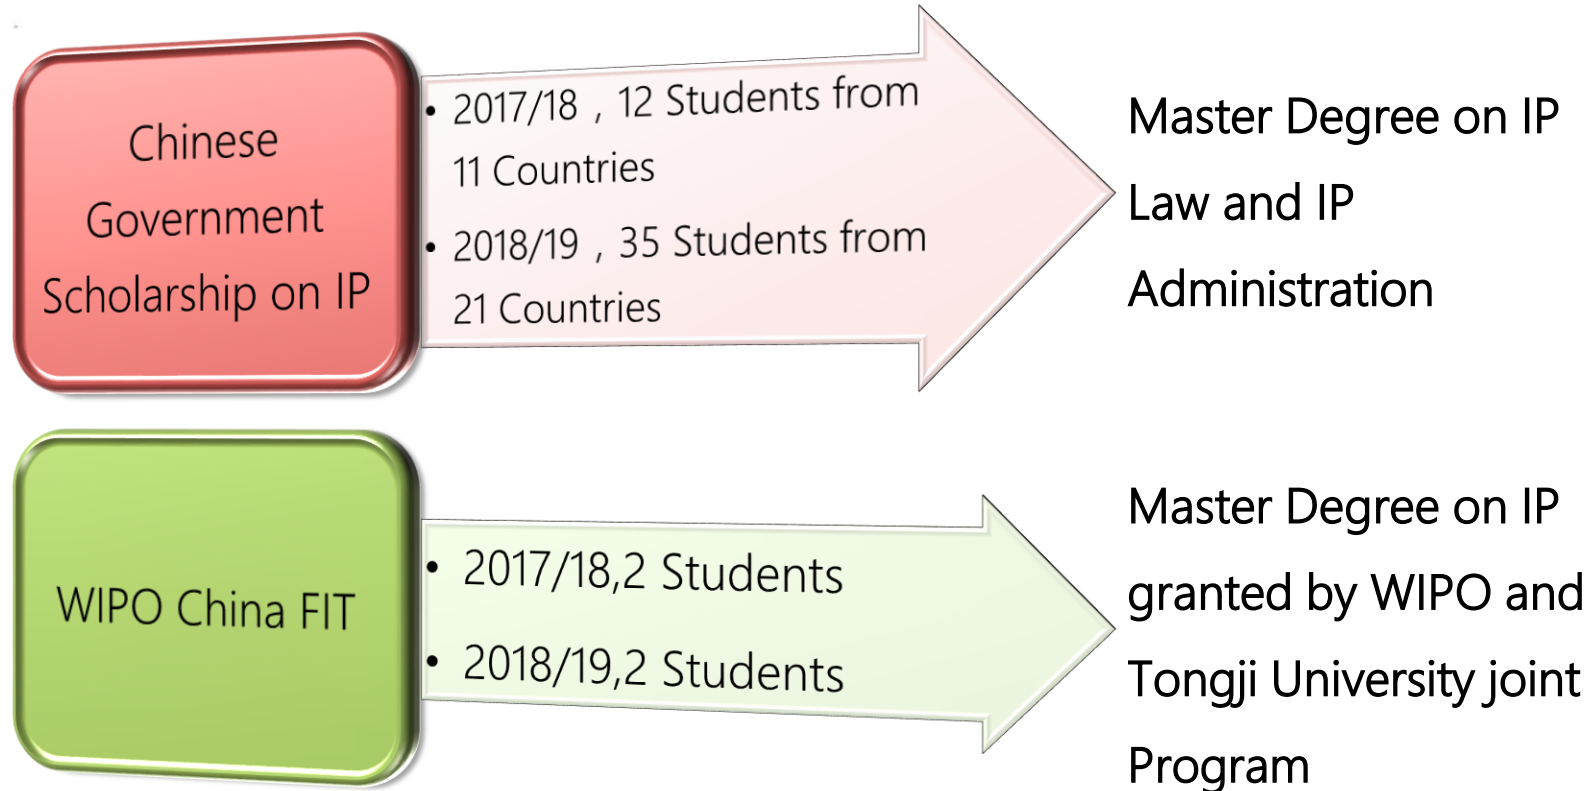

(2) Organizing International Conferences and Seminars

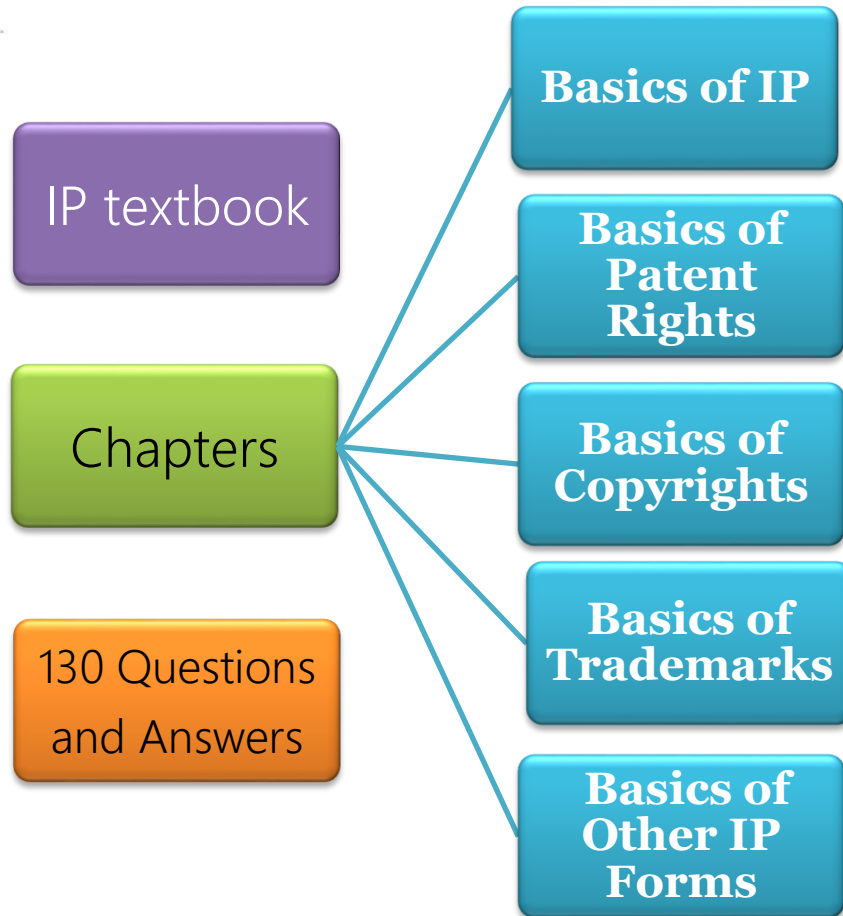

China-Africa High-Level Seminar on IP System and Policies

(3)Sponsoring Students for Master Degree on IP

(4) Enhancing Awareness on IP

(5) TA in IP Information Areas

■ Cloud Patent Examination

IV 、 TA Received by CNIPA

V . Lesson Learned and Suggestions

1. TA activities have effectively enhanced the capacity of utilizing IP system in developing countries and facilitated exchanging of best practices on IP work among countries around world

2. TA should be delivered based on the demand and the IP developing level of the receiving countries

3. China will continue to provide more TA in light of its Capability

4. suggesting WIPO to play a facilitator role to promote TA activities between capable countries and demanded countries

5. Suggesting WIPO to advance the implementation of SDG through TA activities

Thank you for your attention !
