ADDENDUM TO DOCUMENT PCT/TAS/VI/5

(PROGRESS REPORT ON THE ESTABLISHMENT OF A LIST OF TECHNICAL NON-PATENT LITERATURE OBTAINABLE FREELY OR ON VERY FAVOURABLE CONDITIONS BY DEVELOPING COUNTRIES)

prepared by the International Bureau

1. The International Bureau has received from the State Committee of Inventions and Discoveries of the USSR Council of Ministers the annexed additional response to its circular letter No. 2375.
2. This response indicates the willingness of a number of Departments in the Soviet Union to place at the disposal of developing countries one or two copies of technical periodicals covering various technological subjects.
3. The International Bureau has requested the State Committee of Inventions and Discoveries of the USSR Council of Ministers to provide a list of all the periodicals for the assistance of developing countries in selecting periodicals of particular interest to them.

Mr. Pfanner
Deputy Director General
WIPO, Geneva
Switzerland

Dear Mr. Pfanner,

In connection with the request of WIPO (C.2375), the State Committee asked various Departments to ascertain the possibility of delivering to developing countries, free of charge, or on favorable conditions, those technical periodicals and publications which could be of interest to them.

A number of Departments have expressed their willingness to place at the disposal of developing countries technical periodicals in 1-2 copies on the following subjects: minerals, oil production, oil refining, petro-chemicals, food industry, gas industry, pulp and paper industry, machine tool industry, chemical industry, coal industry, light industry, meat and dairy industries, civil engineering machinery, road building machinery, public utilities machinery.

Please inform us of the interest of developing countries in the above-mentioned literature and indicate the procedure of its mailing.

Yours sincerely,

L. Komarov
Deputy Chairman of the State Committee
