INTERIM COMMITTEE FOR TECHNICAL ASSISTANCE

Seventh Session

Geneva, March 13 to 17, 1978

PROVISIONAL AGENDA

*prepared by the International Bureau**

1. Adoption of the agenda (this document)
2. Summary of the recent activities of the PCT Interim Committee for Technical Assistance of possible interest to the WIPO Permanent Committee for Development Cooperation Related to Industrial Property (document PCT/TAS/VII/2)
3. Progress report on the survey of collections of patent documents available within the framework of PCT technical assistance projects for developing countries (see document PCT/TAS/VII/3)
4. Progress report on the establishment of a list of non-patent literature obtainable free of charge or on very favorable conditions by developing countries (see document PCT/TAS/VII/4)
5. Adoption of the report of the session

The first meeting will start at 10 a.m. on Monday, March 13, 1978, in Room V at the International Labour Office (ILO), 4, route des Morillons, Geneva.

* The Decision Establishing the WIPO Permanent Committee on Patent Information and Dealing with Related Matters, adopted by the WIPO Coordination Committee and the Executive Committee of the Paris Union at their 1977 sessions, provides that the meetings of the PCT Committee for Technical Assistance shall be joint with those of the WIPO Permanent Committee for Development Cooperation Related to Industrial Property. It would seem to be within the intent of the said Decision that the measures contemplated for the future PCT Committee for Technical Assistance (to be established by the PCT Assembly) be applied also to the PCT Interim Committee for Technical Assistance. That is why it is planned that the meetings of the PCT Interim Committee for Technical Assistance will, in its present session, be joint with those of the Permanent Committee. It is suggested that the meetings be presided over by the Chairman of the Permanent Committee, and that therefore no provision need be made in this provisional agenda for the election of officers
