Compilation excel table

- Two categories of links
 - Links to **individual e-learning units** on specific topics
 - **Websites of providers** of e-learning aggregating various such units
 - Including currently EMBL, EPO, Israel PO, JPO, USPTO, WIPO
 - Subdivided if provider hosts "sub-providers"
 - For example USPTO:
 - Office of Patent Training: for new recruits
 - Office of Patent Examination Policy: for regular examiners
 - Global Intellectual Property Academy: for external audience

Links to individual units on specific topics

Further development

- Dedicated website
- Add additional materials, such as
 - Case studies
 - Technology specific search tips
- Where to find?
 - Patent information user groups
 - Patent information service providers
 - Youtube

Samples of further additions

- IPC training examples
- Searching pharmaceutical patents (WHO)
- ?

Issues

- What to add?
 - Only sufficient quality
 - No materials redundant to others without added value
- Language

Thank you
