## STANDING COMMITTEE ON INFORMATION TECHNOLOGIES

### PLENARY Seventh Session Geneva, June 10 to 14, 2002

#### SCHEDULE OF ACTIVITIES

*Document prepared by the Secretariat*

1. During the first session of the Standing Committee on Information Technologies (SCIT) Information Technology Projects Working Group (ITPWG), held in Geneva from September 3 to 7, 2001, the Working Group was invited by the Program and Budget Committee to conduct a "technical review" of WIPO's draft Information Technology Program for 2002 - 2003. Many delegations expressed a view during consideration of this agenda item and under the discussion of the schedule of future meetings of the SCIT that the Standing Committee should be more involved in the formulation of the information technology program.

2. In response to this request, the Secretariat proposes that the following meeting be convened in the year 2003:

June 30 to July 4, 2003

Eighth Plenary session (SCIT/8)

3. *The SCIT Plenary is invited to agree to the proposed meeting and its tentative dates.*
