# **INPI's Patent Fast-Tracks**

Sharing session on expedited patent examination mechanisms at IP offices

Diego Boschetti Musskopf INPI-BR / DIRPA / SAESP

WIPO, SCP Thirty-Fourth Session September 26, of 2022

MINISTÉRIO DA ECONOMIA

# Fast-track information

- Fast-track only give preference in prosecution:
  - preference in offices actions
  - do not change legislation
  - do not change procedures

# Fast-tracks types

Ŷ	Elderly applicant	Þ	Request for funding to explore the invention	Varbas	Green technology
Ô	Applicant with serious illness		Applicant accusing thirty party infringement	s. Con	Healthy technology
Ġ	Handicapped applicant	0	Third party accused of infringement		COVID-19 technology
PATENTES	SMEs		Prior use	<b>~</b> 目	[SUS or public interest]
	Science and technology Institution		Technology resulting from public funding	BR	First filed in Brazil
	Startups	OPEN	Technology made available on the market		Patent Prosecution Highway

# Fast-tracks types

Group		Туре	Fee*	Requester	Annex
Highlights	PATENTES	Micro or small enterprise applicant	US\$170,00	SMS applicant	Certificate issued by the Brazilian government indicating the classification
		Science and technology Institution	US\$170,00	ICT applicant	Certificate issued by the Brazilian government indicating the classification
		Startups	US\$170,00	Startup applicant	Certificate issued by the Brazilian government indicating the classification
	BR	First filed in Brazil	US\$170,00	Any applicant	Evidence of the beginning of the patent family in Brazil
	OPEN	Technology made available in the Brazilian market	US\$170,00	Any person	Evidence that the technology is in the market (itself or imbibed)

\* 1 US\$ = 5,25 R\$ (date: 18/09/22) - Several applicants have discount

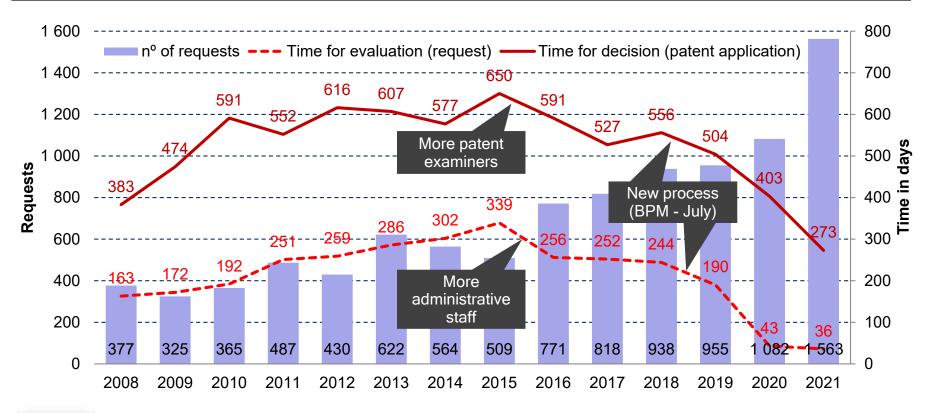

# Fast-tracks types

Group		Туре	Fee*	Requester	Annex
	verbes	Green technology	US\$170,00	Any applicant	Define que item in Annex I
	n en	Health care technology (AIDS, Cancer, neglected or rare disease)	US\$170,00	Any applicant	Explain the relation to AIDS, Cancer, neglected or rare diseases
Fast-track based on technology	Ó	COVID-19 care technology (will be expanded to national or international emergency)	US\$170,00	Any person	Explain the relation to COVID-19
	Ē	Request from Ministry of Health	Free	Brazilian Ministry of health	Indicate the application number or the product names
	É	Public interest or national emergency	Free	Ex officio	Indicate the application number

\* 1 US\$ = 5,25 R\$ (date: 18/09/22) - Several applicants have discount
