INFORMATION NOTE FOR PANEL OF INDIGENOUS AND LOCAL COMMUNITIES

Document prepared by the Secretariat

BACKGROUND

1. At its seventh session, the Intergovernmental Committee on Intellectual Property and Genetic Resources, Traditional Knowledge and Folklore ('the Committee') agreed "that, immediately before the commencement of the sessions of the Committee, half-day panel presentations should be organised, chaired by a representative from a local or indigenous community".
2. These panels have since been organized for each Committee session convened since 2005, namely the eighth to the eleventh sessions. Representatives of the following organizations and the following individuals took part in a personal capacity. Almost all were directly funded by WIPO in their capacity as expert speakers. Several others were funded through the WIPO Voluntary Fund since it came into operation at the tenth session. The panels generally represent the seven geo-cultural regions recognized by the United Nations Permanent Forum on Indigenous Issues.
