---

---

**2.2 Summary of Existing Software** (please provide information where applicable)

: Database management software           INFORMIX OnLine DSA 7.22  
: Application software development tool   HyperScript Tools 1.5  
: Network operating system                n/a  
: Server operating systems                 Solaris 2.6  
: Workstation operating systems \_\_\_\_\_ n/a\_\_\_\_\_  
: Internet software                         MS Internet Explorer 4.0, Netscape Communicator 4.06  
: Web publishing (e.g. Intellectual Property Digital Libraries) \_\_\_\_\_ n/a\_\_\_\_\_

- : Office Automation (OA) software
  - word processor MS Word 95, Corel WordPerfect 6.0
  - spreadsheet MS Excel 95
  - graphics Adobe Photoshop 4.0, Adobe Illustrator 7.0
  - publishing Adobe PageMaker 6.5, Adobe Acrobat Exchange 3.0
  - others FineReader 4.0 Professional (OCR tool)

**2.3 Summary of Existing Hardware** (please reply where applicable)

- : Workstations
  - total number of Pentium processor-based PCs \_\_\_\_\_ 32 \_\_\_\_\_
  - other workstations \_\_\_\_\_ n/a \_\_\_\_\_
- : Servers
  - total number \_\_\_\_\_ 2 \_\_\_\_\_
- : Peripheral devices (please specify total number, type, model, and other relevant information for all internal or external devices. Use additional sheet to provide information in case of multiple models)
  - Printer 5-Xerox4508, 2-Xerox4510, 3-HP4000N, 1-HP5000N, 2-HP 5P, 2-HP 5L
  - Modem 1 - USR Courier 33.6, 2 - USR Sportster 14.4, 2 - Motorola Premier33.6
  - CD-ROM drive \_\_\_\_\_ 30 \_\_\_\_\_
  - Scanner 2 - HP 6100C, 1 - HP 5P
  - Others (please specify) \_\_\_\_\_ n/a \_\_\_\_\_

**3. TELECOMMUNICATIONS:**

**3.1 Access to Internet**

- Dial-up connection Speed \_\_\_\_ 33.6 K \_\_\_\_\_
  - Dedicated line Bandwidth \_\_\_\_\_
  - None
  - Planned (Please provide details) Leased line (128 K) from January, 1999\_\_
- 

- 3.2 Web site**  Yes Since November, 1998 Web address\_ <http://www.eapo.org>  
 No

**3.3 Telecommunication System**

- Telephone system:  Analogue Number of lines \_\_\_\_ 16 \_\_\_\_\_  
 Digital Number of lines \_\_\_\_\_  
 Leased lines  
 ISDN (Integrated Services Digital Network)  
 PABX (telephone switchboard) (Please provide details)
- 
-

Does your Office have any plan to deploy ISDN, frame relay or other dedicated leased line for transmission of unpublished and sensitive information to other Offices/organizations?

- No (please describe the availability of ISDN and leased lines in your country. You may seek this information from your local telecommunications service provider) \_\_\_\_\_
- \_\_\_\_\_
- Yes (please describe the plan and identify the network if the plan relates to an international project, e.g., the Trilateral Network, MIPLEX) \_\_\_\_\_
- \_\_\_\_\_

#### 4. DATA EXCHANGE

*(The following questions do not deal with the Web publication nor the downloading of information published on Web sites.)*

**4.1** Does your Office wish to **receive** intellectual property data from other Offices/the International Bureau of WIPO via the global information network and if so what data?

- No
- Yes
- Published patent or trademark data of other Offices which are not made available on the Internet (e.g. the full text of patent documents published by other Offices)
