Dear Sir/Madam

**GLOBALPAT. CD-ROM (backfile set.)**

I refer to your letter of 20 August 1998.

Please supply a set of the Globalpat, CD-Rom (backfile) free of charge to this office. We are interested in the WIPO GLOBAL information network and would like to examine this free copy because we will shortly be acceding to the PCT and are interested to see how the European search system operates.

Thank you in advance

Yours faithfully
