Dear Mr.Wittig,

In reply to WIPO Circular C.SCIT 2469, dated 24 September 1999, we would like to suggest the criteria for selecting the priority projects:

\*Meeting the SCIT objectives

\*Assurance of indispensable conditions needed for the implementation of most meeting the SCIT objectives projects

\*Establishment of the technology foundation for electronic application filing and network information publishing in all Member States

\*Settlement of the coherent WEb publishing strategy/policy

\*Cost savings

\*Readiness to be launched.

In addition, the enrichment of GLOSSARY would be also desirable (EDI, FTE).

Sincerely yours,  
Saule Daukuviene
