Re. C. SCIT 2515/01

Dear Madam,

Refererring to the above Circular concerning the document SCIT/RES/6, I would like to inform you that, in our opinion, the problem of restructuring the Standing Committee on Information Technologies may be solved only after the objectives and tasks of the future corresponding WIPO body responsible for the IT issues have been more clearly defined. We also believe that the alternative choice or the correlation of both the SCIT and the proposed Advisory Group on Information Technologies evidently needs further consideration.

Sincerely yours,

N. Polonska
Deputy Director
