Subject: Entry into national phase of published PCT applications

Reference is made to WIPO's Circular No. C.SCIT 2530/
01

In accordance with the above mentioned circular, Kenya is pleased to submit the required data for PCT applications that have entered the national phase between 1995 and 2000 for inclusion in the EPIDOS/PRS database. You will note that data for code B210 is the same as B860 since we do not assign a national application number- we retain the WO assigned application number.
