Re.: C. SCIT 2542 PCT Minimum Documentation-List of Periodicals

---

Dear Mr. Wittig,

Concerning the replacement of the IBM TDB by the RD journal, ISSN 0374-4353, and the removal of the journal "Funkschau", we have no hesitation to agree to that. However, we hope the publisher of the RD will continue the free distribution service to every PCT Member States.

Sincerely yours,

Jae-Kap Yoon
