Dear Sir,

With relation to the circular SCIT 2542/00 of July 31, 2001, issued by Mr. Klaus-Peter Wittig on his last working day before a well deserved retirement, the Netherlands Industrial Property Office (NIPO) would like to make the following remarks:
NIPO would have no objection with regard to the proposal to include in the List of Periodicals of the PCT Minimum Documentation the journal "Research Disclosure" and its electronic version. Neither would NIPO have any objection to the proposal made by the Austrian Patent Office to remove the journal "Funkschau" from the List.

Yours sincerely,

S. de Vries
Head, Chemical Division
