Subject: Re: SCIT 2542 PCT Minimum Documentation - List of Periodicals

Dear Madame/Sir,

In response to Circular No. C.SCIT 2542 I am pleased to inform you that the Swedish Patent and Registration Office has no objections to the two issues proposed in the Circular i.e. the replacement of the IBM TDB by the RD journal and the removal of the journal "Funkschau" from the PCT Minimum Documentation list for the reasons put forward by the Austrian Patent Office.

Yours sincerely,

Kerstin Bergström
Head, Patent Information
Swedish Patent and Registration Office
