Subject: C.SCIT 2542 " PCT Minimum Documentation - List of Periodicals"

Klaus-Peter Wittig
Deputy Director, Standards and Documentation Service

September 13, 2001

Dear Mr. Wittig,

At the beginning thank you for the opportunity to express our opinion relating to the circular C.SCIT 2542, dated July 31, 2001 concerning the PCT minimum documentation. However Industrial Property Office of the Slovak Republic doesn't act as ISA and IPEA under the PCT.

We have no comments to the replacement of the "IBM Technical Disclosure Bulletin" by the journal "Research Disclosure" and also to the removal of the journal " Funkschau" from the PCT Minimum Documentation List.

At the same time, we would be very pleased, as the PCT Member State, at the obtaining of the RD journal, because our non-patent literature collection doesn't contain the said periodical so far.

Sincerely yours,
