### Q U E S T I O N N A I R E

1. Does your Office use any practices to make citing of specific parts of patent documents possible independent of the media and formats on which the document is stored or published?

YES  NO

2. In the light of new developments in media and formats, is your Office planning to introduce new practices regarding citing of specific parts of patent documents?

YES  NO

3. If your Office is planning to introduce those practices, when will they be introduced?

*No fixed time schedule at the moment. But we plan a redesign of all our publications in view of a new Corporate Identity / Design and evaluate whether with this we could also introduce a numbering of the paragraphs like EP, US and DE do.*

4. In WIPO Standard ST.36 paragraph numbering in patent document is foreseen. If your Office is using or planning to use practices for unambiguous citing of the text, which practices are or will be used?

- Paragraph numbering
- Sentence counting
- Word Counting
- Other – Please specify: *probably keep line numbers for paper documents*

5. If paragraph numbering is done or foreseen by your Office, who defines or will define the paragraphs to be numbered?

- (a) Basically the applicants
- (b) The Office, e.g. the examiners
- (c) Other –Please specify: *scanning + OCR is done by XEROX, and the paragraph numbering will be done at this occasion*

6. If according to 5 (a) the applicants define or will define the paragraphs, does or will your Office give guidance as to, e.g., how long a paragraph should ideally be?

YES  NO

Comments, if necessary:

7. If your Office is using or planning to use practices for unambiguous citing of the text, how are the claims treated (or how will they be treated)?

*Each claim will have a number, no paragraph numbers for claims.*

8. Does your Office count or intend to count other parts of the specification apart from textual parts, e.g., embedded images, tables, etc.? Please specify:

*no; but we did not evaluate this deeply until yet.*

9. Do you plan to create within the user interface of your electronic patent information products or services an option to suppress the display of the numbers allotted to paragraphs, sentences, etc.? Please specify the products or services and the methods used:

*Our patent documents (patent + utility models) are accessible via EspaceNet.*

10. If your Office has introduced or is planning to introduce e-filing, does it intend to implement or change its practices concerning the citing of specific parts of patent documents with regard to e-filing?

YES  NO

Please elaborate: *We don't have e-filing now. We plan to introduce the EPO-Tool-Box.*

11. What are, according to the position of your Office, aspects which seem to be difficult?

Long paragraphs – Comments, if necessary:

Other –Please specify: *see question 8*

12. Do you intend to introduce additional measures to solve the problem of unambiguous citing?

Instructions to the applicant

Other –Please specify:
