Referring to SCIT Circular 2640/-03 from May 21, 2007 we would like to inform you of the following:

At present, the Ukrainian Industrial Property Institute does not use XML data format for the preparation of data to be transferred to other organizations.

Our working plans for the future include the use of the MIMOSA 5 authoring system for the preparation of patent information CD-ROMs that receives input data in XML format.

Sincerely yours,

Petro Ivanenko,

Deputy Director,

Scientific Affairs,

Ukrainian Industrial Property Institute
