Subject: RE: Circular C. SCIT 2653 - Name change for Moldova in WIPO Standard ST.3

Sir/Madam,

As per Circular C. SCIT 2653, CIPO has reviewed the proposed change of the Republic of Moldova to Moldova and does NOT have any objection to this change. Therefore in the ongoing practice of attempting to keep the WIPO ST.3 standard in line with the ISO 3166 standard, CIPO is in agreement with the proposed change.

Yours Truly,
