Re: Survey on Digital Transformation

Madam,
Sir,

At its ninth session, the Committee on WIPO Standards (CWS) approved the questionnaire on digital transformation practices. The CWS requested the Secretariat to issue a circular inviting Intellectual Property Offices (IPOs) to respond to the survey on Digital Transformation. (See paragraphs 92 to 95 of [document CWS/9/25](#).)

The survey will collect information from IPOs on their practices for intake, processing, and publishing IP applications to assist the Digital Transformation Task Force with its work.

Your Office/Organization is kindly invited to participate in this survey with the following URL:

<https://surveys.wipo.int/s3/Digital-transformation>

The survey is available in English, French and Spanish. When you load the survey, the online platform will select a default language based on your browser settings. You can change the language using the dropdown menu in the top right-hand corner of the web page.

You can save your survey responses at any time and continue later with the "Save and continue" link at the top of the page. When your answers are finalized, click "Submit your final answers" on the last page of the survey (Review page). Please note that your Office/Organization should submit only one response to the survey.

It would be appreciated if your Office/Organization could submit your responses by April 29, 2022. Any questions can be directed to the Secretariat at cws.surveys@wipo.int.

Sincerely yours,
