

1. Identification page

Please enter the ST.3 code and name of the member state or international organization you represent.

RU - Russian Federation

Please enter the name of the office or organization you represent. For instance, Canadian Intellectual Property Office. If your organization name is the same as your ST.3 code name, you may put "n/a".

Federal Service for Intellectual Property - Rospatent

Please enter your email address so we can contact you if we have questions about your response.

2. Questions page

1. In what formats does your Office/Organization ingest applications? Please select all that apply.

- PDF
- XML in WIPO ST.96
- Microsoft Word DOCX (free form, no template)
- Common Application Format (CAF) – DOCX template
- Paper
- Fax
- Other (specify): Rich Text Format (RTF)

Comments:

2. How does your Office/Organization capture markups (insertions, deletions) in amendments, corrections, and rectifications? Please select all that apply.

- Applicant submits clean copy of the amendments
- Applicant submits new clean application documents, and Office uses a DOCX comparison tool to compare and markup changes, then a final copy is generated by the tool

Comments:

3. Does your Office/Organization provide initial content-based validations to applicants prior to submission to reduce the number of formality non-compliances?

Yes

Comments:

4. What does your Office/Organization validate prior to submission? Please select all that apply.

- Missing required application parts
- Informalities such as typographical errors or missing claim numbers

Comments:

5. Metadata Scrubbing

Does your Office/Organization provide a scrubbing tool to remove unwanted metadata from the documents prior to submission?

No

If yes, which types of metadata are removed?

6. Does your Office/Organization provide a feedback document, additional document or online messages during the filing process detailing potential problems within the submitted application documents based on the above validations?

Yes

Comments:

7. What does your Office/Organization consider the authoritative copy of the submission?

Other (specify): printed or scanned certified application documents or documents signed with electronic signature

Comments:

8. If your Office/Organization converts or plans to convert the submitted document to XML, in which format would you preserve embedded images? Please select all that apply.

Original format if possible

TIFF

JPEG

Other (specify): RTF, DOC

Comments:

9. When the submitted document is transformed to XML, in what format does your Office/Organization preserve mathematical equations?

Converted to an image format

MathML

10. When the submitted document is transformed to XML, in what format does your Office/Organization preserve chemical formulae?

Originally submitted format

Converted to an image format

Comments:

11. When the submitted document is transformed to XML, in what format does your Office/Organization preserve table or tabular data? Please select all that apply.

Originally submitted format

Converted to an image format

Comments:

12. Is your Office/Organization moving away from paper-based rules for applicant submissions, such as page count, margins line spacing and focus more on the amount of characters/words in a document or file size?

We are not considering it

Comments:

13. If your Office/Organization is not considering moving away from paper-based rules, select the presentation elements your Office/Organization needs to preserve from the submitted application documents. Please select all that apply.

Page count

Page dimensions

Margins

Line spacing

Text and background colors

Comments:

14. Select the formats by which your Office/Organization displays or would display an application for examination or administration purposes. Select all that apply.

Originally submitted format using an appropriate software application

Converted format used by our Office/Organization

It can vary depending on the input format

Comments:

15. Select the formats which your Office/Organization uses or would use to publish documents submitted by applicants.

Converted format used by our Office/Organization

Rendered XML

More than one format

Comments:

16. Specify the content management system your Office/Organization uses to store and manage documents. Please provide either names of commercial products or brief description of custom-built systems.

1. Automated Information System of Electronic Document Management for the Examination of Inventions

2. Electronic Library for PCT Applications

3. Automated Database

4. Document Management System supporting the conversion of documents into digital forms

17. In what formats do you publish your Official Gazette? Select all that apply.

Electronic format with paper-based layout (e.g. PDF)

Comments:

18. If you still publish in a physical format, are you considering discontinuing physical publication within the next five years?

Yes

Comments: We are not publishing in a physical format

19. If you still publish in an electronic format with paper-based layout (e.g. PDF), are you considering discontinuing this format in favor of a purely digital format within the next five years?

No

Comments:

4. Thank You!
